

Recap

Our family extends our deep felt gratitude and thanks to each of you. Words are unable to express the appreciation we feel for your continued support in our efforts to keep Mark's memory alive.

Although we had 152 golfers rained out in 2004, it really ended up presenting a nice opportunity for everyone who attended the tournament. Our guests and golfers alike had a chance to commiserate: telling stories about Mark, playing card games, enjoying beverages and viewing raffle and Chinese auction prizes for an extended amount of time.

From a weather perspective, everyone took a 'lemon' of a day and created 'lemonade'!! We are so glad you could share the day with us and look forward to seeing you at next year's tournament on Saturday, July 30, 2005.
